Monday Engagement Strategy

"Best of Weekend" Sports

Repackage high-performing weekend sports content for Monday evening "catch-up" sessions.

Exclusive Premieres

Schedule high-anticipation Music or Entertainment premieres for Monday nights to create appointment viewing.

Interactive Rewards

Introduce a "Monday Loyalty" program for Kids' content to drive stable afternoon traffic and retention.

Recommendation: Implementing a targeted strategy to drive viewership during the weekly slump.

Growth & Retention Strategy

Regional Expansion

Target marketing in provinces with lower penetration (e.g., Limpopo, Mpumalanga) using localized content.

Referral Programs

Leverage "Young Adult" base with "Refer-a-Friend" incentives to lower customer acquisition costs.

Family Bundles

Promote "Kids + Sports" bundles to increase the lifetime value of household accounts.

Objective: Expanding the user base and increasing retention.

Final Roadmap & Action Items

Pilot

Launch **"Monday Night Sports Catch-up"** next month to address viewerships that have no numbers.

Audit

Perform a **deep dive** into regional content preferences specifically in **Limpopo**.

Monitor

Track the impact of the new **Looker Studio dashboard** on CVM decision-making efficiency.

“

our strategy isn’t just about getting more users; it’s about making BrightTV a daily habit. By fixing the Monday slump and rewarding our loyal Young Adult base in Gauteng for referrals, we can hit our growth targets with significantly lower marketing spend.
